Independent Accountants' Review Report

To the Board of Directors and Members
Brickell 25, Inc., a Condominium Association
Miami, Florida

We have reviewed the accompanying financial statements of Brickell 25, Inc., A Condominium Association as of December 31, 2020, which comprise the balance sheet as of December 31, 2020, and related statements of revenues, expenses and changes in fund balance and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

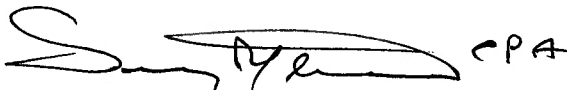

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

Accounting principles generally accepted in the United States of America require that the information about future major repairs and replacements of common property on pages 9 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have not audited, reviewed, or compiled the required supplementary information, and, accordingly, we do not assume any responsibility for it.

BRICKELL 25, INC., A CONDOMINIUM ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE – A ORGANIZATION

Brickell 25, Inc., (The “Association”) is a statutory condominium association incorporated in the State of Florida on January 1, 1969. The Association is responsible for the operation and maintenance of the common areas owned by the individual unit owners. Brickell 25, Inc., A Condominium Association consists of 37 residential units located in Miami, Florida.

NOTE – B DATE OF MANAGEMENT REVIEW

In preparing the financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through March 22, 2021, the date that the financial statements were available to be issued.

NOTE – C SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fund Accounting

The association maintains its accounts using fund accounting. Financial resources are currently classified for accounting and reporting purpose in the following funds established according to their nature and purpose:

Operating Funds

These funds are used to account for financial resources available for the general operation of the association and reflect the operating assessments paid by members and regular costs of operation, including any special assessments.

Replacement and Deferred Maintenance Fund

This fund is used to account for financial resources designated for future major repairs and replacements and capital improvements as required under section 718.112(2)(F) of the Florida statutes.

Member Assessments

Association unit owners are subject to monthly assessments based on an annual budget to provide funds for the association’s operating expenses, future capital acquisitions and major repairs and replacements. Any excess assessments at year-end are retained by the association for use in future years. Special assessments for specific purpose may also be imposed from time to time as deemed appropriate by the Board of Directors. The Association’s policy is to retain legal counsel and place liens on the properties of homeowners whose assessments are ninety days or more delinquent. At December 31, 2020, the Association had no delinquent assessments, all assessments receivable are considered to be fully collectible.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE – C SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Property and Equipment

Real property and common areas acquired from the developer are not recorded in the Association's financial statements because those properties are owned by the individual unit owners in common and not by the Association. The Association capitalized Furniture and Equipment at cost and depreciates it using the straight-line method.

Prepaid Maintenance Assessments

Represents assessments collected in advance and to be reported as earned in subsequent periods.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purpose of reporting cash flow, cash in bank includes cash available, which is on deposit in bank accounts.

Income Taxes

Homeowners' associations may be taxed as a tax-exempt homeowners' association under Internal Revenue code section 528 or a regular corporation. For the year ended December 31, 2020, the association was taxed as a regular corporation and filed Form 1120.

NOTE – D FUTURE MAJOR REPAIRS AND REPLACEMENTS

Florida Statutes provide that each proposed budget include provisions for reserves for future major repairs and replacements. These amounts are restricted to their intended purpose unless modified by a qualified unit owners vote. Accumulated funds, which aggregate \$ 628 at December 31, 2020, are held in separate accounts. Actual expenditures may vary from the estimate future expenditures for major repairs and replacements, and the variations may be material. Therefore amounts accumulated in the replacement fund may not be adequate to meet future needs. If additional funds are needed, however, the association has the right, subject to member approval, to increase regular assessments or levy special assessments, or it may delay major repairs and replacements until funds are available.

NOTE – E LOAN PAYABLE

At the recommendation of the structure engineering firm hired by the association to restore the columns in both the east and west garages from damages caused by environmental erosion, the association decided to obtain a \$150,000 loan to cover the cost of repairs.

The five years Loan is payable to Cit Bank, NA in monthly installments of \$2,579.73 of principle and interest. Interest is computed at the annual rate of 3.85%.

The following is a summary of principal maturities during the next five years:

2021	\$28,034
2022	29,141
2023	30,299
2024	31,498
2025	24,195

NOTE – F COMMITMENTS AND CONTINGENCIES

Management Contract

The Association has a month to month management agreement with Vesta Property Services payable in \$1,080 monthly management fee.
